NATURAL DISASTER RELIEF ASSISTANCE RECOVERY GRANTS

The recent heavy rain and flooding throughout NSW has affected a number of our clients. We have had enquiries regarding assistance available to flood affected regions and are pleased to provide the following information. Please contact us if you require additional information or require assistance with preparing an application for assistance.

The NSW Government, through the Rural Assistance Authority, are **providing grants of up to \$15,000** to eligible primary producers and small businesses who have suffered direct damage as a result of the **November-December 2010 floods in New South Wales**, for clean-up, removal of debris, disposal of dead livestock and further restoration to assist business continue or commence trading.

This grant is not intended to replace the need for insurance, and is not intended to provide compensation for losses such as destroyed crops. All claims for assistance will be assessed on a case by case basis.

Who is Eligible?

Primary Producers

Eligible primary producers who have suffered direct damage and who:

- have a right or interest in the land used for the purpose of a farm enterprise,
- derive the majority of their individual gross income from the farm enterprise,
- are registered with the Australian Taxation Office as a primary producer, and have an Australian Business Number (ABN)
- have suffered direct damage as a result of November-December 2010 flooding in New South Wales. This may be damage to farm buildings, crops, pasture, stock, fencing and/or tools of trade (e.g. equipment/plant) and the essential cost of repair or replacement are the applicant's responsibility,
- were conducting a primary production business in a Disaster Declared Local Government Area prior to and including the date of the event (further information concerning areas is available on the RAA website or call us),
- have established or are intending to re-establish the primary production enterprise.

Eligible primary producers can be individuals, partnerships, trusts or companies, operating commercially.

Small Businesses

Eligible small businesses which have suffered direct damage and which:

- have less than 20 full time (or equivalent) employees,
- are a registered business, partnership or sole trader,
- have an Australian Business Number (ABN),
- have suffered direct damage to their premises and/or tools of trade (e.g. equipment/plant) and the essential cost of repair or replacement are the applicant's responsibility,
- are intending to re-establish within the Disaster Declared Local Government Area,
- were conducting business in the Disaster Declared Local Government Area prior to and including the date of the event, or are business enterprises in the development phase (e.g. premises being prepared but trading had not yet commenced).

Eligible small businesses may include locally owned and operated franchises; businesses not operating from commercial premises but which experienced damage to primary equipment; home based enterprises (claiming only the costs directly attributable to the business).

LOAN - NATURAL DISASTER RELIEF SCHEME

The Natural Disaster Relief Scheme assists primary producers and small businesses affected by flood/fire/storm damage or any other declared natural disaster.

Funding by way of a loan up to a maximum of \$130,000 is available for:

1. **Essential Working Capital:** The amount required to continue farming operations for the next twelve months from the date of the disaster or until the next major income is received. Small Businesses - the amount required to continue business operations until normal income resumes or until the next major income is received (a maximum period of 12 months from date of disaster applies).
2. **Replacement and repair of damage caused to the property and associated improvements not covered by insurance.** Assistance does not cover costs unrelated to the farming or small business enterprise or commitments overdue at the time of the disaster, such as; trading accounts, lease or hire purchase instalments, interest on borrowings or loan repayments.

Assistance under this scheme by its nature is not compensatory therefore applicants need to be in urgent and genuine need of assistance.

Note: In assessing this requirement the Authority will take into account all cash reserves, investments, undrawn overdraft balances plus loans with redraw facilities.

A term of up to 10 years dependent upon the amount borrowed and the applicant's ability to repay can be considered. Interest is calculated on a concessional rate of interest fixed for the term of the loan with repayments generally in line with your cash flow. Security by way of a registered mortgage over land is required.
